

## **Meeting Minutes: NC State Board**

June 13, 2013

Policy Committee

Dr. Preston reported the Committee met May 23, 2013, and discussed the matters set forth in the minutes of the Committee.

Rosen CE recommendation

Dr. Preston reported the Committee reviewed and discussed Mr. Rosen's email of February 15, 2013, The National Continuing Education Registry "white paper" attached, and Ms. Nancy Toner Weinberger's comments on the issues. The Board discussed options for approval of continuing education and how it is regulated. Upon motion made, seconded and passed, the Board agreed with the Committee's recommendation to reiterate its letter and resolution to the FSMTB and provide input to the establishment of an FSMTB CE approval program by participating on a committee once established or as otherwise appropriate. [Rick proposed a national registry for CE Providers. I pointed out that this was similar to what we already had in that it would still be a 3<sup>rd</sup> party organization, and since we already had a system in place with the NCBTMB, there would be no reason to make a change such as this- it would be better to get the current system working properly.]

December 2013

Minutes will not be approved until the February meeting. Rick Rosen presented yet another proposal to the Policy Committee, but we do not have access to that proposal and thus cannot consider it.
